**EXCLUSIVE FORUM SELECTION:**

CUSTOMER HEREBY CONSENTS TO PERSONAL JURISDICTION OF THE COURTS SITUATE IN THE STATE OF COLORADO WITH RESPECT TO ANY LEGAL ACTION OR PROCEEDING ARISING UNDER OR WITH RESPECT TO THE SUBMISSION OR ANY ACTION OR INACTION OF ANACS, AND AGREES THAT THE DISTRICT COURT FOR ARAPAHOE COUNTY, OR, IF APPLICABLE, FEDERAL DISTRICT COURT SITTING IN THE STATE OF COLORADO, SHALL BE THE SOLE AND EXCLUSIVE VENUE, AND THE STATE OF COLORADO SHALL BE THE SOLE FORUM, FOR ANY SUCH ACTION OR PROCEEDING. CUSTOMER AGREES NOT TO BRING ANY CLAIM AGAINST ANACS OUTSIDE OF SUCH COURTS.

**Return Shipping**

To calculate your return shipping fees use the chart below.

If the submitter has a FedEx, UPS or USPS account, complete the "Return Shipping" field at the top of the submission form and we will waive our return shipping and insurance fees. Submitter will now assume insurance responsibilities. This is an optional service and does NOT apply to most submitters.

**ANACS Coin Imaging**

To request ANACS Coin Imaging simply check the box in the "Imaging" field on the line corresponding with the coin you want photographed. This service may extend the turnaround time of your submission by up to two business days. The \$3 per coin fee for this service is in the Payment Calculations area of the submission form. Imaging is only available for coins submitted for certification. To access images, go to [www.anacs.com](http://www.anacs.com).

**ANACS Conservation Service**

RECOMMENDED - Choose this service to allow ANACS to remove PVC, debris, glue, stains, hazing and other easily removed and distracting flaws from your submitted coins. \*The flat fee for this service is \$59 per submission form or up to 10 coins. ANACS reserves the right to add additional fees for coins that may benefit from the conservation service but that are more challenging to conserve. To select this service, initial the Conservation Service field in the Payment Calculations area. Not selecting this service may result in coins not being certified due to PVC and/or other corrosive material contamination. Uncertified coins

**Crossover Service**

Coins already certified by another third-party grading service must be submitted as crossovers. To do so list the coin as you normally would, but also include a minimum crossover grade (this is required) in the "Crossover Minimum Grade" field. The minimum grade is your lowest acceptable grade for that coin. If the ANACS opinion meets or exceeds your minimum grade, the coin will be removed from the original holder and encapsulated in an ANACS holder. If the ANACS opinion is lower than your minimum grade, the coin will remain in the original holder.

**GSA Dollars**

ANACS will certify GSA Dollars in the original government packaging. The coin will be graded (and attributed, if requested) without being removed from GSA holder. Do not send blue GSA cardboard boxes with submission. The results of this service are not protected by any ANACS guarantee. There is no additional charge for this service.

**Turnaround Times**

ANACS turnaround times are calculated as 24-hour business days. This means weekends, ANACS holidays, and USPS holidays do not count towards turnaround times. There is no turnaround time guarantee.

- 1 Day Service is scheduled for 24 hours
- 2 Day Service is scheduled for 48 hours
- 5 Day Service is scheduled for five business days (approximately one week)
- 15 Day Service is scheduled for 15 business days (approximately three weeks)
- Economy Service is scheduled for four to six weeks (varies based on volume)
- Modern Service is scheduled for 15 business days (approximately three weeks)

- Non-US tiers of service turnaround times vary greatly. Attribution verification and research can slow the turnaround time of any tier of service.

**Variety and Error Attribution**

Variety Attribution Verification & Errors (\$14) – ANACS will confirm the variety or error of a coin. To use this service list the variety, error, or die pair in the "Variety" field. The charge for this service is \$14 per coin. Make sure you account for this fee in the "Payment Calculations" area. This service can add an additional 15 business days to the turnaround time of your submission.

Variety Attribution Research (\$16) - ANACS will research the variety or die pair of a coin. To use this service write, "RESEARCH" in the "Variety" field. The charge for this service is \$16 per coin. Make sure you account for this fee in the "Payment Calculations" area. This service can add an additional 15 business days to the turnaround time of your submission.

**Reholders**

All ANACS encapsulated coins can be submitted for Reholder Service. Coins certified before January 1, 2008 will be reholdered using a blue label. Coins certified after January 1, 2008 will be reholdered using a gold label. As a general rule, coins certified with custom labels will keep the original label.

**ANACS Guarantee**

ANACS guarantees the authenticity and grade of all original U.S. Mint, foreign coins, tokens & medals certified by ANACS.

Ancient and Chinese coins are guaranteed up to \$1000.

The guarantee on grading is limited to gold, silver, and platinum coins only. ANACS does not guarantee the grade of coins that carry a "Details" and/or "Net" grade. Coins damaged by improper storage or removed from the ANACS holder are not covered by this guarantee. The ANACS guarantee does not cover clerical label errors. ANACS does not guarantee the authenticity or grade of any ANACS certified coins in damaged, unsealed, counterfeit or altered ANACS holders. Coins graded by ANACS in the GSA holder are not guaranteed. Variety and error attributions are not guaranteed.

Crypto-Themed Physical Token service evaluates the condition and wear of these tokens. Cryptocurrency value is neither confirmed nor guaranteed by ANACS.

Verbal opinions rendered by ANACS graders or representatives are intended to give the submitter an estimate of how a coin might grade if submitted and are not guaranteed.

If you question the authenticity or grade of an ANACS certified coin, it can be submitted to ANACS for review. If the results of the review show the coin is not genuine or the coin is over graded, you will be compensated for fair market value. Solely ANACS will determine the value and the way the customer is compensated. Coins lost or damaged while in ANACS possession will be resolved in the same manner. All claims must include a transaction history of the coin going back as far as possible. Original submitter may not be eligible for the ANACS guarantee.

returned to you for these reasons are not eligible for refunds if the Conservation Service is not selected.

Conservation Service can alter the look of the coin(s). Conservation Service may reveal otherwise hidden problems and result in a details grade voiding the ANACS guarantee. Submitter understands any conservation service may include the use of caustic materials on the coin's surface and neither ANACS, nor any ANACS employees, is/are responsible for any loss of value, damage, lower grade, or change caused to a coin resulting from any service performed. Submitter agrees to forever hold harmless ANACS and its employees for any loss. ANACS expert staff makes the determination whether conservation is beneficial for each coin and reserves the right not to conserve any coin for any reason. ANACS Conservation Service is not available for coins valued over \$2,000. Crossover service is not available in conjunction with Conservation Service. ANACS Conservation Service is not a restoration service. Conservation is only available for coins submitted for certification.
